WEST EUROPE

42 summary izvestiya intvw with aleksiy chitikov, cmn soviet of union of ussr supreme soviet and chmn sov parliamentary group to 5th interparliamentary conf in budapest on coop and security in europe, on significance of budapest conf against background of aggravated intl situation and enhanced threat of nuclear war. (350 text: tasse 1843 tassr 1655)

- Co- 6 JUN 1983

43 vladimir golovyashkin paris report on agenda of 29th session of parliamentary assembly of western european union (weu), which opened today, and which reflects aspiration of pro-atlantic circles to use this military-political organization of seven to oppose process of detente and to intensify dangerous arms race under pretext of so-called soviet threat. (400 text: tassr 1859)

44 tass commentator valeriy kostylev on stmt by west german foreign minister hans-dietrich genscher, calling on common market countreis to formulate clear european foreign and economic policies, stressing his stmt reflects eec countreis' worry over situation in eec and aggressive steps taken by u.s. against community in econ, monetary and financial fields. (300 text sent: tasse 1656 tassr 1720)

45 summary neues deutschland article carried in pravda on responsibility of both german states in preventing a nuclear war in europe, (4 min: german 1500)

46 review of soviet press comment on frg. (rpt german 041600) (german 1500)

47 vladimir ostrogorskiy dealing with a new aspect in public discussion on deployment of u.s. medium-range missiles in frg. notably question whether frg people is entitled to decide on this deployment. whereas opposition parties argue that people ought to decide, foreign minister genscher reiterated that deployment was an issue that was decided upon by nato. suggestions by opposition parties range from a referendum to a voting by call in federal diet, but governing coalition parties seem to be determined to procede to deployment, even by means of force, as interior minister zimmermann indicated, what are reasons for this strong official opposition to application of democratic mechanisms provided for in frg basic law? it is fear that deployment plans might be rejected by large majority. (6 min: german 1600)

48 vladimir ostrogorskiy discussing recent stmt by frg interior minister zimmermann threatening to put into action bundeswehr units against peace demonstrators. (rpt german 031500) (german 0900)

49 "good evening, austria": report on current moscow intl exposition "automation 83" with special reference to austrian-soviet coop (3 min); report n recent mtg in salzburg btwn austrian businessmen and soviet managers, organized with a view to strengthening econ coop (2 min); report on visit to ussr of a delegation of austrian workers, incl talk by head of this austrian delegation (6 min). (13 min overall: germaust 1800)

50 glance at british scene: aleksandr (gromov) on british political scene re upcoming parliamentary elections, noting one of main topics is arms race which is being played up by tory party, while labor party is for disarmament and against cruise missiles and tridents and for a freeze in production of such weapons, maintaining that sdp-liberal alliance are struggling for a central position in campaign but their policy is still for armament, scoring efforts of media to push arms issue into background and try to play up differences in interpretation of labor manifesto, also touching on influence of white house on british politics via mrs thatcher. (enguk 1900)

51 "you write to moscow," reviewing listeners letters on need for friendship and coop between countries, that they would like to see more soviet and british towns twinned. (enguk 1900) take 4 of several -- commentary list: moscow consolidated 6 jun 83

1d071356

53 mailbag: tatyana rudenko citing extracts from french listeners' letters. (rpt french 051730) (french 1730)

-8- 6 JUN 1983

54 radio newsreel of soviet-french friendship: intvw with
 mr. georges (surname indistinct), french trade counsellor in
 ussr, re french day at "automation 83" exhibition in moscow,
 on soviet-french coop in field of automation (2.5 min); tass corr
 [] giving account of ceremony at le bourget air show at STAT
 which soyuz-t6 descent module was presented to french national
 center for space-studies (2.5 min); intvw with cgt confed sec
 rene lomet who has visited ussr at invitation of aucctu, on
 importance of visits by french trade unionists to ussr and soviet
 peace efforts (5 min). (10 min overall: french 1730)

55 italian topics in soviet press: pravda and izvestiya on
 current italian election campaign in which christian democratic
 party is exerting every effort to shift axis of political life
 to right; soviet press hailed success achieved by leftwing parties
 in general election in san marino; tass corr rome [] on STAT
 results achieved by fanfani's visit to u.s.; tass corr in italy
 gives details of speech made in milan by socialist senator
 margherita boniver pronouncing herself against econ sanctions aimed
 at socialist countries; pravda on motives of moro kidnapping
 affair in light of revelations made by parliamentary commission
 that investigated affair; za rubezhom denouncing mafia plans to
 profit from installation of comiso cruise missile base;
 sovetskaya rossiya giving details of inaugural ceremony of a
 european resistance mvmt at como; soviet publications gave details
 of various soviet-italian cultural events. (italian 1900)

56 portugal today: eduard kovalev on terms announced in lisbon
 of governmental agmt concluded between socialist party and social
 democratic party which will serve as basis for country's government,
 noting analysis of this agmt prompts conclusion that concessions
 made by ps to its coalition partners are so substantial that
 they have exceeded their worst fears, stressing opinion of left
 elements of ps that such an agmt is a sell out to right wing of
 psd. (portuguese 2000)
